

Azure Pass Redemption

Step 1: Create a Microsoft Account

Note:

It would be **best to close all browsers** and open a new In-Private Browser session. Other log-ins can persist and cause errors during the activation step.

1. Open <https://outlook.com> and click on **Create Free Account**.

2. Enter a preferable name for the account and the password.

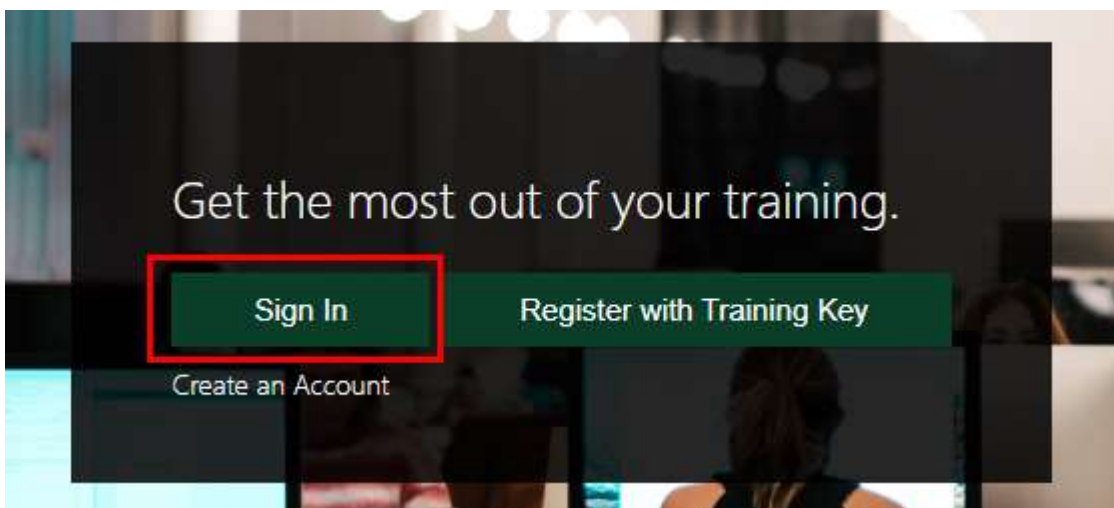

Note: Remember the username and password

3. Fill in all the required necessary details. Once account creation is finished you will be redirected to Outlook mail.

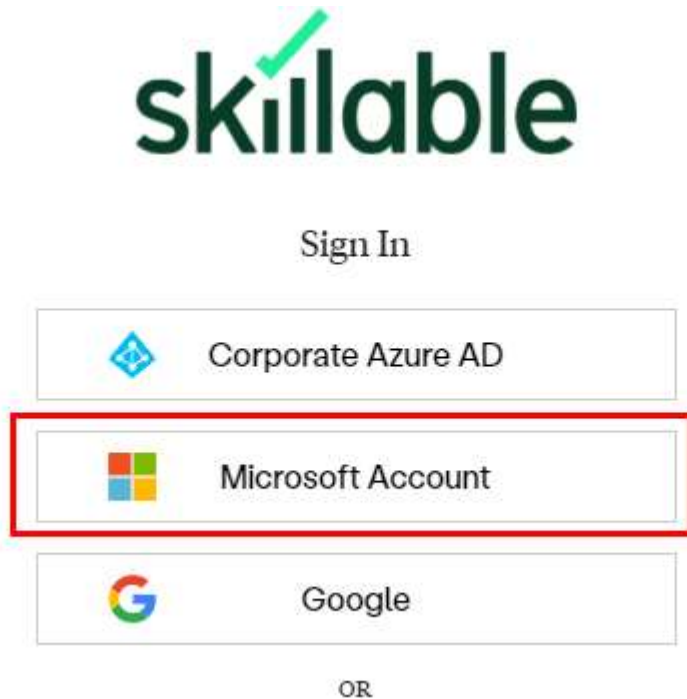

Start Step 2.
